JMC Luxury Portfolio 50 Harvests 2014 Napa Valley Meritage (\$60)

In 2013, the Scotto family, originally from the Italian island of Ischia, launched the 50 Harvests label to mark their half-century mark as grape-growers in California. Winemaker extraordinaire Mitch Cosentino's 2014 vintage, which is 75% Cabernet Sauvignon and 25% Petit Verdot, is a sumptuous wine — think blackberry jam and cinammon stick with a mineral foundation and syrupy-smooth mouthfeel. I most recently tasted it with a cheese course, but it would also be stunning with duck.
