50 HARVESTS 2014 MERITAGE

Earns **90 POINTS!**

Celebrating the 55th anniversary of Our
Family's First California Harvest

90 50 Harvests 2014 Meritage (Napa Valley). This blend of 75% Cabernet Sauvignon and 25% Petit Verdot commemorates the number of consecutive harvests by the Scotto family of Steele Canyon Cellars. Candied red fruit gives it broad, lasting richness that lingers across the structured palate.

—V.B.

[Wine Enthusiast Review](#)

A Meritage Celebration

We are all very proud of the reception our 2014 50 Harvests has achieved from *Wine Enthusiast* along with many other highly respected publications and wine competitions. Winemakers Paul Scotto and Mitch Cosentino took a bold step forward when deciding on the final Meritage

blend that knits each of its fine attributes together guaranteeing early enjoyment and longevity in the bottle.

50 Harvests and J. McClelland consulting winemaker Mitch Cosentino produced the first Meritage wine - 1986 The Poet - that was used for trade marking the term and released on February 22, 1988. Mitch considers the establishment of the Meritage Alliance 30 years ago as, "*As a major step forward in defining both red and white Bordeaux varietal blends to the upper echelon of the market without being governed by the more restrictive varietal labeling regulations.*" (Mitch Cosentino)
