91 | The Lost Chapters

2014 Napa Valley Zinfandel Fragrant with blackberry, lavender and mint, this zesty, high-toned wine raises the question: Why are many great Napa Valley zinfandels more delicate than their Sonoma cousins when the valley's cabernets tend to be more tannic and vast? This one is fresh and clean, without lacking intensity. It would make a great partner with duck *sugo*. *Reviewed by Joshua Greene.*
